Applicant - V K Abdul Rahiman,
Yemmedoddi Estate, K a d u r

Respected Sir,

I, the undersigned most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that my humble prayer would meet with success -

That the Kadur Town Municipality, Kadur in the first instance (during the year 1950) advertised in the local papers notifying to the public that a site in Kadur suitable for construction of a Cinema theatre will be disposed off I being a native of Kadur ~~District~~ and as there being no such theatre in Kadur Town and with a view to give some sort of recreation to the Public, I submitted my application for the sanction of the said site for putting up a theatre Whereupon my application was approved by the Municipal Council and the same was sanctioned to me at an upset price and I remitted the full value of the site etc as per decision of the Council,

That the Deputy Commissioner of Chikkamagalur District, strongly recommended my case to the Government for confirmation of the said sale ard to issue me necessary permission to construct a Cinema theatre and the whole file is now before your goodself for final orders Hence I am obliged to submit this to you

That I wanted to approach your goodself long back in this direction, but as there was an order of the

the Government to the effect no licenses to construct Cinema buildings will be issued for a period of three years, I had to keep quiet The time of three years expires at the end of August 1951

In this connection I may be permitted to bring to your honour's kind notice that the population of Kadur Town is increasing day by day and there are no permanent or temporary Cinema theatres in the said Town I submit that I am ready to put up the construction in strict conformity with the terms and conditions laid down by the Government in this direction

In the light of the above circumstances,I most humbly and respectfully beg of your honour to be kind enough to consider my case and please confirm the sale of the site in my favour and further request that my case may kindly be recommended to the Concerned Minister for issue of a license to put up the construction On hearing from your goodself,I shall be too pleased to submit the plan of the building and will also consult the Government Architect before commenceing the construction Hope that my humble prayer would meet with success and begging to be excused for the trouble

For which act of kindness and timely help,I shall ever remain grateful
